Get Ready for QUALITYstarsNY!

Will you be ready when QUALITYstarsNY comes to your community?

Here are steps you can take NOW to prepare for QUALITYstarsNY

1. Join The Aspire Registry for New York’s Early Childhood Workforce
   Ongoing participation and maintenance of accounts in The Aspire Registry is a requirement for acceptance into QUALITYstarsNY. Each licensed site should set up an Organization account and encourage employees to create individual Aspire profiles, too! To access more information, including helpful webinars about how to get started, visit: www.nyworksforchildren.org.

2. Attend a QUALITYstarsNY recruitment session in your area, or at state and regional conferences
   Over the coming months, QUALITYstarsNY will be hosting recruitment sessions across the state. These sessions will give you the opportunity to learn more about QUALITYstarsNY, what you can do to prepare, and what participation in a Quality Rating and Improvement System (QRIS) has to offer. Information about dates and locations will be made available through The Aspire Registry’s Statewide Training Calendar—yet another reason to join!

3. Speak to participating program directors in your area about their experiences with QUALITYstarsNY
   For a list of participating QUALITYstarsNY programs near you, visit www.qualitystarsny.org.

4. Get familiar with QUALITYstarsNY’s Program Standards
   QUALITYstarsNY is committed to excellence in early childhood. Review the list of program standards on our website and become familiar with the four categories of quality: learning environment, family engagement, staff qualifications and experience, and management and leadership. Begin to gather documents that demonstrate your program’s ability to meet QUALITYstarsNY’s standards.

5. Join the mailing list to stay up-to-date on QUALITYstarsNY’s latest developments and recruitment efforts
