

Creating Training Events in The Aspire Registry to Apply to QUALITYstarsNY Standards

QUALITYstarsNY has several [Quality Standards](#) related to staff trainings that earn programs points during the rating process. **As of April 1, 2022, training events must be entered into The Aspire Registry for approval in order to earn points toward a training Standard.**

Trainers must follow the steps below to indicate the applicable QUALITYstarsNY Standard when creating the course in Aspire. The Aspire team will review the course content and verify if it meets the criteria of the Standard(s) selected during course entry.

Instructions for Trainers

1. Review the "[Submitting a Course for Aspire Review](#)" guide in The Aspire Help Center. Follow the instructions to begin the creation of a New Course.
2. Begin a new Course Entry and complete the first sections on the "[Course Overview](#)" page.
3. In the "[Applies Toward](#)" section at the bottom of the Course Overview page, check off the QUALITYstarsNY Standard(s) that the training should apply toward.
