Plan

Step 4: Provisional Rating

- Rating team reviews your Standards Inventory and issues Provisional Rating
- 3-5 Star Provisional Rating: ERS assessment will be conducted by independent observation team
- 1-2 Star Provisional Rating: will become Active Rating

Step 3: Standards Inventory

Partner with your QI Specialist over 6 weeks to:

- Review the QUALITYstarsNY Program Standards and identify which Standards your program meets
- Gather and upload evidence for your Standards Inventory
- Submit your Standards Inventory

Step 5: Active Rating

- Your program is issued your 1-5 Star Active Rating, which is effective for 3 years

Continuous
Quality
Improvement

Step 6: Quality Improvement Plan

- Partner with your QI Specialist to create quality improvement goals and action items for your program's Quality Improvement Plan (QIP)

Step 7: Continuous Quality Improvement

- Meet regularly with your QI Specialist to work toward your QIP goals
- Access resources, trainings, and materials to improve your program!
